

Thank you for participating in Campolindo Orchestra's

RENT-A-STUDENT

program and to help our students earn money for their trip to Beijing.

Here's how it works: Please call Tessa Cunha at 925-360-9635 and they will send a student with the skills you need at the time requested. You pay the student directly for the services provided, by check (made out to the student) or cash.

For any additional amount you would like to contribute to our **general China trip fund**, please make out a check to "Campolindo Music Boosters" with "China Trip" in the memo line. This additional amount is **tax-deductible** and Music Boosters will send you a receipt.

Donations can also be mailed directly to: Campolindo Instrumental Music Boosters, c/o Sue Carlson, 203 Corliss Drive, Moraga CA 94556. Please mention "China Trip" in the memo line. Visit our website www.campomusic.org for more information.
