

## CAMPOLINDO MUSIC BOOSTERS

**Campolindo Instrumental Music Boosters** and **Campolindo's Music Program** invite you to join us in supporting a world-class instrumental music program in our community. Your **tax-deductible** contribution helps to enhance musical education and musicianship across all instrumental music groups at Campolindo. Funds are used to purchase, maintain and prepare instruments for our growing programs, fund master classes and workshops with professional musicians, and provide support for the special teaching tools, sheet music and music library services that make our program strong. Funds are also used to provide scholarships and trip support for student performance tours and to recognize our talented musicians with awards for their special achievements.

The suggested annual donation for the Campo Music Boosters is **\$100 per family**. If you can afford to do so, please consider a larger contribution by becoming a Music Booster Patron. Every year, we strive for 100% membership, and our fundraising goal this year is \$30,000.

Our non-profit tax ID number is #94-2773048. We welcome corporate and matching gifts, and we acknowledge our patrons in our concert programs and newsletters. Thank you for your support! You may donate in two ways:

1. When you register your student online OR
2. By mailing a check, made out to Campolindo Instrumental Music Boosters, mailed to Amy Kikugawa, 383 Deerfield Drive, Moraga, CA 94556
